

Supporting Youth Football...

For the last 4 seasons the current under 11 Rovers team at Southdown Football Club have been sponsored by Freshfield Lane Brickworks and more recently Michelmersh Brick Holdings PLC.

Most of the team of 16 have been training together since the age of five, under the watchful eye of their Manager Jason Marle, and the coaching team. Training together on a Saturday morning and attending their league games on Sundays the team have held their position at the top of their league for most of the season.

For the last two seasons they have played in the Mid Sussex Youth and Minor Football League and last year successfully lifted the League Cup following a nail-biting cup final against Perrywood Sports.

The players have had to adapt to a very different game this season as for the first time they are playing 11-a-side, on a three-quarter sized pitch, for a game of 1 hour. Strengthened this season by the addition of a new striker and defender, the players have adapted well and shown their enthusiasm for the game through good times and bad. With a period mid-season plagued by injuries and illness, and on occasions playing with only 10 players, the team have supported each other and given their all both physically and mentally.

With their last league game in sight it is all to play for as they try to maintain the position as runners up.
