To Shareholders and, for information only, to the holders of options over Ordinary Shares

Dear Shareholder

Placing of 22,222,222 Ordinary Shares at 45 pence per share and Notice of General Meeting

Introduction

Michelmersh Brick Holdings plc has today announced the terms of a placing by Cenkos, acting as the Company's Nominated Adviser and Broker to the Placing, to raise £10.0 million by the issue and allotment by the Company of 22,222,222 Ordinary Shares at the Placing Price of 45 pence per share.

The Placing is conditional, *inter alia*, upon Shareholders approving the Resolutions at the General Meeting that will grant to the Directors the authority to allot the Placing Shares and the power to disapply statutory pre-emption rights in respect of the Placing Shares. In addition, the Resolutions, if passed, will grant the Directors certain share authorities in respect of the Enlarged Share Capital, which the Company routinely seeks at its annual general meeting each year. The Resolutions are contained in the Notice of General Meeting at the end of this document.

The purpose of this document is to explain the background to and reasons for the Placing, why the Directors are seeking authority from Shareholders to issue the Placing Shares for cash on a non pre-emptive basis and to recommend that you vote in favour of the Resolutions.

Summary of Michelmersh Brick Holdings plc

MBH is a business with five leading market brands: Blockleys, Charnwood, Freshfield Lane, Michelmersh and Hathern Terra Cotta. These divisions operate within a fully integrated business combining the manufacture of clay bricks, tiles and pavers. The Group also includes a landfill operator, New Acres Limited, and seeks to develop future landfill and development opportunities on ancillary land assets.

Established in 1997 the Group has grown through acquisition and organic growth, producing approximately 70 million clay bricks, tiles and pavers per annum. The Group currently manufactures from the following sites:

- Blockleys – based in Telford, Shropshire
- Charnwood – based in Shepshed, Leicestershire
- Freshfield Lane – based in Danehill, West Sussex
- Michelmersh – based in Romsey, Hampshire

Recently, MBH's products have won praise and been successfully used in projects such as the RIBA award winning new theatre; 400 Hall Repton School; the London Evening Standard New Home Award winning Lime Grove Mews London; Cambridge University Cranmer Road site; and the contemporary Drapers

Academy, Romford. The Group also achieved the accolade of Supreme Winner at this year's BDA Awards with the contemporary Ortus building at Maudsley Learning Centre, London SE5.

The Group are also suppliers to high value housing developers such as Berkeley and St. James, delivering to key city regeneration projects such as Royal Arsenal, Woolwich and the Kidbrooke regeneration project.

Background to, and reasons for, the Placing

Freshfield Lane currently produces a range of traditional clamp fired machine stock bricks at a maximum saleable output of approximately 30 million units per annum. The Directors believe that through targeted capital investment of up to £2.5 million they can increase the saleable output of Freshfield Lane by up to a further 6 million units per annum. The increase in output will involve purchasing new equipment, maximising the existing building space and redundant plant and equipment, currently within Freshfield Lane, as well as acquiring and reconditioning used plant and equipment from within the European brick industry.

The Directors believe the overproduction within brick manufacturing, which has been a feature of the Group's competitive market for the last few years, has ceased and surplus stocks held by competitors and customers have been eradicated. In conjunction with increased activity in the housing market, the Directors believe it is therefore logical to expect that average brick selling prices will start to increase. When this happens, the Directors expect a normalised return on capital will be achieved. The proposed investment in Freshfield Lane and the increase in saleable output is therefore timed to coincide with the positive brick market background and to help the Company benefit from the improved market environment.

The Directors intend to use the remainder of the net proceeds of the Placing to reduce the overall gearing of the Group and for general working capital purposes. The Board will also assess acquisition opportunities as and when they arise.

Current Trading and Outlook

Demand for the Group's products during 2013 has been strong with like for like despatches 14 per cent. ahead of 2012 for the nine months to September 2013. Production continues to run at capacity at all of the four operating brickworks within the Group. As a result, stock levels have reduced to the benefit of Group operating cash flow. Prices have remained flat in the industry as a whole and this has meant that prices achieved by the Group are only marginally ahead of 2012.

Input costs have risen largely in response to energy related services and the Group has suffered margin pressure, but has responded with reductions in central sales and administration costs. The Group has reported that, as a consequence, it expects to report a break even result on continuing activities. The results for the year will include a £2.0 million provision for the closure of the Dunton brickworks, as previously announced, where assets have been written down to expected realisable value. This write down has been balanced by uplift in value of the land at the site as it is released as a landfill site.

In 2013, the Group has completed the sale of a 15 acre plot of land at the Telford site for £4.6 million which will contribute an exceptional profit on sale in the year's results. The initial cash proceeds from the sale, being £1.6 million, will meet the costs of reconstruction at the site of the continuing brickworks.

The Board expects that industry prices are to increase through 2014 as a result of the end of overstocking and increased demand which will restore the margins achieved. The Board continues to explore possibilities to increase contribution through production capabilities both organically and through acquisition.

Placing

Subject to Admission and the Shareholders approving the Resolutions at the General Meeting, the Company will issue 22,222,222 new Ordinary Shares which will raise approximately £10.0 million, before expenses, and £9.4 million, after the expenses of the Placing (which are estimated to be £0.6 million (excluding VAT) in total). The Placing Shares have been conditionally placed by Cenkos, as agent for the Company, with institutional and other investors in accordance with the terms of the Placing Agreement.

Application has been made for the Placing Shares to be admitted to trading on AIM and dealings are expected to commence on 17 December 2013.

The Placing Shares issued pursuant to the Placing will represent approximately 27.6 per cent. of the Enlarged Share Capital. The Placing Shares will, following Admission, rank in full for all dividends and distributions declared, made or paid in respect of the issued Ordinary Share capital of the Company and otherwise rank *pari passu* in all other respects with the Existing Ordinary Shares. The Placing Price represents a discount of 15.5 per cent. to the closing mid-market price of 53.25 pence per Ordinary Share as at 18 November 2013 (being the latest practicable date prior to the date of this document).

In addition to the Placing, 500,000 Ordinary Shares in which Alan Hardy, a Non-Executive Director of the Company, is interested in are being sold at the Placing Price. Following this transaction, Mr Hardy's beneficial and non-beneficial interest will be 4,796,474 Ordinary Shares which represents approximately 6.0 per cent. of the Company's Enlarged Share Capital.

The Placing Agreement

Pursuant to the terms of the Placing Agreement, Cenkos, as agent for the Company, has agreed to use its reasonable endeavours to procure subscribers for the Placing Shares at the Placing Price. The Placing Agreement is conditional upon, *inter alia*:

- the Resolutions being duly passed at the General Meeting;
- none of the warranties or undertakings given to Cenkos prior to Admission being or becoming untrue, inaccurate or misleading in any material respect; and
- Admission becoming effective on or before 8.00 a.m. on 17 December 2013 (or such later time and/or date as the Company and Cenkos may agree, but in any event by no later than 8.00 a.m. on 30 December 2013).

The Placing Agreement contains customary warranties given by the Company in favour of Cenkos in relation to, *inter alia*, the accuracy of the information in this document and other matters relating to the Group and its business. In addition, the Company has agreed to indemnify Cenkos in relation to certain liabilities which it may incur in respect of the Placing.

Cenkos has the right to terminate the Placing Agreement in certain circumstances prior to Admission, in particular, in the event of a material breach of the warranties or a material adverse change.

General Meeting

A notice is set out at the end of this document convening the General Meeting to be held at 131 Finsbury Pavement, London EC2A 1NT on 16 December 2013 at 10.00 a.m. at which the following resolutions will be proposed:

- (A) Resolution 1, which will be proposed as an ordinary resolution, is to authorise the Directors to allot relevant securities up to an aggregate nominal value of (i) £4,444,444.40 in connection with the Placing; and (ii) £5,364,658.40 otherwise than in connection with the Placing;
- (B) Resolution 2, which will be proposed as a special resolution and which is subject to the passing of Resolution 1, is to disapply statutory pre-emption rights, provided that such authority shall be limited to, *inter alia*, the allotment of equity securities in connection with the Placing, and otherwise the allotment of equity securities up to an aggregate nominal amount of £1,609,397; and
- (C) Resolution 3, which will be proposed as a special resolution and which is subject to the passing of Resolution 1, is to authorise the Company to repurchase up to 8,046,987 Ordinary Shares in the market at or between the maximum and minimum prices specified in the resolution.

Resolution 1 authorises the allotment of such number of new Ordinary Shares as are necessary for the Placing, as well as providing the Directors with a standing authority to allot equity securities up to an aggregate nominal value of £5,364,658.40 (representing one-third of the Enlarged Share Capital). Similarly, Resolution 2 authorises the disapplication of statutory pre-emption rights in respect of such number of new

Ordinary Shares as are necessary for the Placing as well as providing the Directors with a standing authority to allot equity securities otherwise than in accordance with statutory pre-emption rights up to an aggregate nominal value of £1,609,397 (representing ten per cent. of the Enlarged Share Capital). Resolution 3 renews the Company's general authority to repurchase up to 8,046,987 Ordinary Shares in the market being ten per cent. of the Enlarged Share Capital, at or between the maximum and minimum prices specified in the resolution. Current legislation allows companies to hold shares acquired by way of market purchase in treasury, rather than having to cancel them. The Directors may use the authority to purchase Ordinary Shares and hold them in treasury (and subsequently sell or transfer them out of treasury as permitted in accordance with legislation) rather than cancel them, subject to institutional guidelines applicable at the time.

Action to be taken

Please check that you have received a Form of Proxy for use in relation to the General Meeting

Whether or not you intend to be present in person at the General Meeting, you are strongly encouraged to complete, sign and return your Form of Proxy in accordance with the instructions printed thereon so as to be received by post or, during normal business hours only, by hand, at Equiniti, Aspect House, Spencer Road, Lancing, West Sussex BN99 6DA, as soon as possible but in any event so as to arrive by not later than 10.00 a.m. on 14 December 2013 (or, in the case of an adjournment of the General Meeting, not later than 48 hours before the time fixed for the holding of the adjourned meeting).

Appointing a proxy in accordance with the instructions set out above will enable your vote to be counted at the General Meeting in the event of your absence. The completion and return of a Form of Proxy will not preclude you from attending and voting in person at the General Meeting, or any adjournment thereof, should you wish to do so.

Recommendation

The Directors consider the Placing to be in the best interests of the Company and its Shareholders as a whole and accordingly unanimously recommend that Shareholders vote in favour of the Resolutions to be proposed at the General Meeting as they intend to do in respect of their own beneficial holdings amounting, in aggregate, to 35,848,106 Existing Ordinary Shares, representing approximately 61.5 per cent. of the Existing Ordinary Shares.

Yours faithfully

Chairman
