Notes

- 1 To be entitled to attend and vote at the meeting or any adjournment (and for the purpose of the determination by the Company of the votes they may cast), shareholders must be registered in the Register of Members of the Company by 6.30 pm on the 14 May 2024. Changes to the Register of Members after the relevant deadline shall be disregarded in determining the rights of any person to attend and vote at the meeting.
- 2 Members are entitled to appoint a proxy to exercise all or any of their rights to attend and to speak and vote on their behalf at the meeting. A shareholder may appoint more than one proxy in relation to the meeting provided that each proxy is appointed to exercise the rights attached to a different share or shares held by that shareholder. A proxy need not be a shareholder of the Company. A proxy form which may be used to make such appointment and give proxy instructions accompanies this Notice.
- 3 To be valid any proxy form or other instrument appointing a proxy must be received by post or (during normal business hours only) by hand at the office of the Company's registrars (Equiniti Limited, Aspect House, Spencer Road, Lancing, West Sussex BN99 6DA), no later than 48 hours before the time appointed for holding the meeting.
- 4 The return of a completed proxy form will not prevent a shareholder attending the meeting and voting in person if he/she wishes to do so.
- 5 CREST members who wish to appoint a proxy or proxies by utilising the CREST electronic proxy appointment service may do so for the AGM and any adjournment(s) of it by using the procedures described in the CREST Manual (available from <https://www.euroclear.com>). CREST Personal Members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf. In order for a proxy appointment made by means of CREST to be valid, the appropriate CREST message (a 'CREST Proxy Instruction') must be properly authenticated in accordance with Euroclear UK & Ireland Limited's (EUI) specifications and must contain the information required for such instructions, as described in the CREST Manual. The message must be transmitted so as to be received by the issuer's agent (ID: RA19) not later than forty eight hours (disregarding any day that is not a working day) before the time appointed for holding the AGM, being no later than 11.00 a.m. on 14 May 2024. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. CREST members and, where applicable, their CREST sponsors or voting service providers should note that EUI does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s), to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.
- 6 If you are an institutional investor, you may be able to appoint a proxy electronically via the Proxymity platform, a process which has been agreed by the Company and approved by the Registrar. For further information regarding Proxymity, please go to www.proxymity.io. Your proxy must be lodged by 11.00 a.m. on 14 May 2024 in order to be considered valid. Before you can appoint a proxy via this process you will need to have agreed to Proxymity's associated terms and conditions. It is important that you read these carefully as you will be bound by them and they will govern the electronic appointment of your proxy.
- 7 Any corporation which is a member can appoint one or more corporate representatives who may exercise on its behalf all of its powers as a member provided that they do not do so in relation to the same shares.
- 8 Any member attending the meeting has the right to ask questions. The Company must cause to be answered any such question relating to the business being dealt with at the meeting but no such answer need be given if (a) to do so would interfere unduly with the preparation for the meeting or involve the disclosure of confidential information, (b) the answer has already been given on a website in the form of an answer to a question, or (c) it is undesirable in the interests of the company or the good order of the meeting that the question be answered.
- 9 Copies of the service contracts of the Directors of the Company or any of its subsidiary undertakings are available for inspection at the registered office of the Company during normal business hours (excluding weekends and public holidays) from the date of this Notice until the conclusion of the AGM, and will also be available for inspection at the place of the AGM from 15 minutes before it is held until its conclusion.

EXPLANATORY NOTES TO THE NOTICE OF ANNUAL GENERAL MEETING

The notes on this page give an explanation of the proposed resolutions.

Resolutions 1 to 10 are proposed as ordinary resolutions. This means that for each of those resolutions to be passed, more than half of the votes cast must be in favour of the resolution. Resolutions 11 to 13 are proposed as special resolutions. This means that for each of those resolutions to be passed, at least three-quarters of the votes cast must be in favour of the resolution.

Resolution 1: Annual Report and Accounts

The Directors of the Company must present the Company's annual accounts, the Directors' Report and the auditor's report on those accounts to the Annual General Meeting. The Annual Report and Accounts for the year ended 31 December 2023 along with a copy of the AGM Notice will be available online at <https://www.mbhplc.co.uk/investor-relations>.

Resolution 2: Final Dividend

Shareholders are asked to approve a final dividend of 3.00 pence per ordinary share for the year ended 31 December 2023. If the recommended final dividend is approved at the AGM, the dividend is expected to be paid on 10 July 2024 to shareholders who are on the Register of Members at the close of business (London time) on 7 June 2024.

Resolutions 3-7 : Election and Re-election of Directors'

In accordance with best practice in corporate governance, all Directors are standing for re-election. Resolutions 3 to 6 seek approval for the re-election of the Directors who served during the year. Resolution 7 concerns the election of Robert Fenwick as he was appointed a Director of the Company since the 2023 AGM.

Biographical information for each of the Directors is provided on pages 56 and 57 of the Annual Report and Accounts 2023.

The Board has no hesitation in recommending the election or re-election of the Directors to shareholders. In making these recommendations, the Board confirms that it has given careful consideration to the Board's balance of skills, knowledge and experience and is satisfied that each of the Directors putting themselves forward for election or re-election has sufficient time to discharge their duties effectively, taking into account their other commitments.

Resolution 8: Reappointment of Auditor

At each meeting at which the Company's accounts are presented to its shareholders, the Company is required to appoint an auditor to serve until the next such meeting and seek shareholder consent for the Directors to set the remuneration of the auditors.

Resolution 9: Remuneration of the Auditor

This resolution seeks consent for the Audit Committee to determine the remuneration of the auditor.

Resolution 10: Authority to allot shares

This resolution deals with the Directors' authority to allot shares or grant rights to subscribe for, or convert any securities into, shares in accordance with section 551 of the 2006 Act. The authority previously given to the Directors at the last annual general meeting of the Company will expire at this year's annual general meeting.

This resolution complies with the Investment Association Share Capital Management Guidelines issued in July 2016.

If passed, the resolution will authorise the Directors to allot;

- (a) in relation to a pre-emptive rights issue only, equity securities (as defined by section 560 of the 2006 Act) up to a maximum nominal amount of £12,489,228 which represents approximately two thirds of the Company's issued ordinary shares (excluding treasury shares) as at 26 March 2024. This maximum is reduced by the nominal amount of any allotments or grants made under the authority set out in paragraph (b) of this resolution; and
- (b) in any other case, allotments or grants up to a maximum nominal amount of £6,244,614 which represents approximately one third of the Company's issued ordinary shares (excluding treasury shares) as at 26 March 2023. This maximum is reduced by the nominal amount of any allotments or grants made under the authority set out in paragraph (a) of this resolution in excess of £6,244,614.

The maximum nominal value of allotments or grants (including equity securities) which may be made under this resolution is £12,489,228.

At the close of business on the date of this Notice, the Company holds 2,225,000 treasury shares.

The authority granted by this resolution will expire on the conclusion of next year's annual general meeting.

Other than the allotment of shares under the terms of the executive and employee share schemes operated by the Company, and the Company's scrip dividend scheme, the Directors have no present intention to allot new shares or grant rights, however, the Directors may consider doing so if they believe it would be appropriate in respect of business opportunities that may arise consistent with the Company's strategic objectives.

Resolution 11 and 12: Disapplication of pre-emption rights

Special resolution 12, if passed, would grant the Directors authority to allot securities of the Company up to a specified amount in connection with rights issues without having to obtain prior approval from the shareholders on each occasion and also to allot a certain number of securities for cash without first being required to offer such shares to existing shareholders. The proposed disapplication of pre-emption rights will mean that the number of Ordinary Shares which may be issued for cash without first being required to offer such shares to existing shareholders will not exceed 9,367,858 Ordinary Shares, being approximately 10 per cent. of the issued ordinary share capital of the Company as at 26 March 2024.

The Pre-Emption Group Statement of Principles 2022 issued on 4 November 2022 supports the annual disapplication of pre-emption rights in respect of allotments of shares and other equity securities (and sales of treasury shares for cash) representing no more than an additional 10 per cent. of issued ordinary share capital (exclusive of treasury shares), to be used only in connection with an acquisition or specified capital investment. The Pre-Emption Group's Statement of Principles defines 'specified capital investment' as meaning one or more specific capital investment related uses for the proceeds of an issuance of equity securities, in respect of which sufficient information regarding the effect of the transaction on the Company, the assets that are the subject of the transaction and (where appropriate) the profits attributable to them is made available to shareholders to enable them to reach an assessment of the potential return.

Accordingly, and in line with the template resolutions published by the Pre-Emption Group, resolution 12 seeks to authorise the Directors to allot new shares and other equity securities pursuant to the authority given by resolution 11, or sell treasury shares, for cash up to a further nominal amount of £1,873,572, being approximately 10 per cent. of the total issued ordinary share capital of the Company as at 26 March 2024, only in connection with an acquisition or specified capital investment which is announced contemporaneously with the allotment, or which has taken place in the preceding six-month period and is disclosed in the announcement of the issue. If the authority given in resolution 12 is used, the Company will publish details of the placing in its next Annual Report. If these resolutions are passed, the authorities will expire at the end of the 2025 AGM or at close of business on 16 May 2025, whichever is the earlier.

The Board considers the authorities in resolutions 12 and 13 to be appropriate in order to allow the Company flexibility to finance business opportunities or to conduct a rights issue or other pre-emptive offer without the need to comply with the strict requirements of the statutory pre-emption provisions.

Resolution 13: Authority to purchase Company shares

This resolution seeks authority for the Company to make market purchases of its own ordinary shares and is proposed as a special resolution. If passed, the resolution gives authority for the Company to purchase up to 9,367,858 of its ordinary shares representing 10 per cent. of the Company's issued ordinary share capital (excluding treasury shares) as at 26 March 2024.

The resolution specifies the minimum and maximum prices which may be paid for any ordinary shares purchased under this authority. The authority will expire on the conclusion of next year's annual general meeting, or if earlier, at the close of business on 16 May 2025.

The Directors will only exercise the authority to purchase ordinary shares where they consider that such purchases will be in the best interests of the shareholders generally and will result in an increase in earnings per ordinary share.

The Company may either cancel any shares it purchases under this authority or transfer them into treasury (and subsequently sell or transfer them out of treasury or cancel them).
