

Quality Policy

Michelmersh Brick Holdings PLC aims to lead the way in producing some of Britain's premium clay products and enhancing our built environment by adding value to the architectural landscape for generations to come.

We strive to be a well invested, long term, sustainable, environmentally responsible business. Opportunity, training and security for all employees, whilst meeting the needs of stakeholders, are at the forefront of everything we do.

The company is committed to providing products and services that meet the agreed requirements of our customers, and of appropriate standards and legislation.

The Board and senior managers set and monitor performance and improvement targets for all departments, while providing the guidance, resources and training necessary for employees to succeed in delivering our objectives.

All employees have a part to play in the quality management system and are encouraged to bring forward ideas that will contribute to the continual improvement of our products and processes.
